

Notice

Proceeding ID 368

Granite Oil Corp.

14 to 16 Kilometres Southwest of Warner

This notice provides a summary only. For more details, see the notice of hearing for this proceeding at www.aer.ca under Application and Notices > Notices > Hearing Notices.

A hearing will be scheduled to consider:

Applications 1893274, 1893275, and 1893277 filed by Granite Oil Corp. to drill four horizontal wells for crude oil production. The emergency planning zone (EPZ) radius is 150 metres from the proposed locations of the well sites, and nobody lives within this EPZ zone. The proposed project would be located on Crown land. The proposed well sites are about 14 and 16 kilometres southwest of Warner, Alberta. See map for more details.

Information about the hearing:

For a copy of the hearing materials, including the application, contact Granite Oil Corp's representative, Tyler Klatt. The hearing materials can also be viewed on line at www.aer.ca > Systems and Tools > Proceeding Search; enter Proceeding ID 368. To view the materials in person or for information on AER procedures, contact the hearing coordinator, Tammy Turner.

Participation:

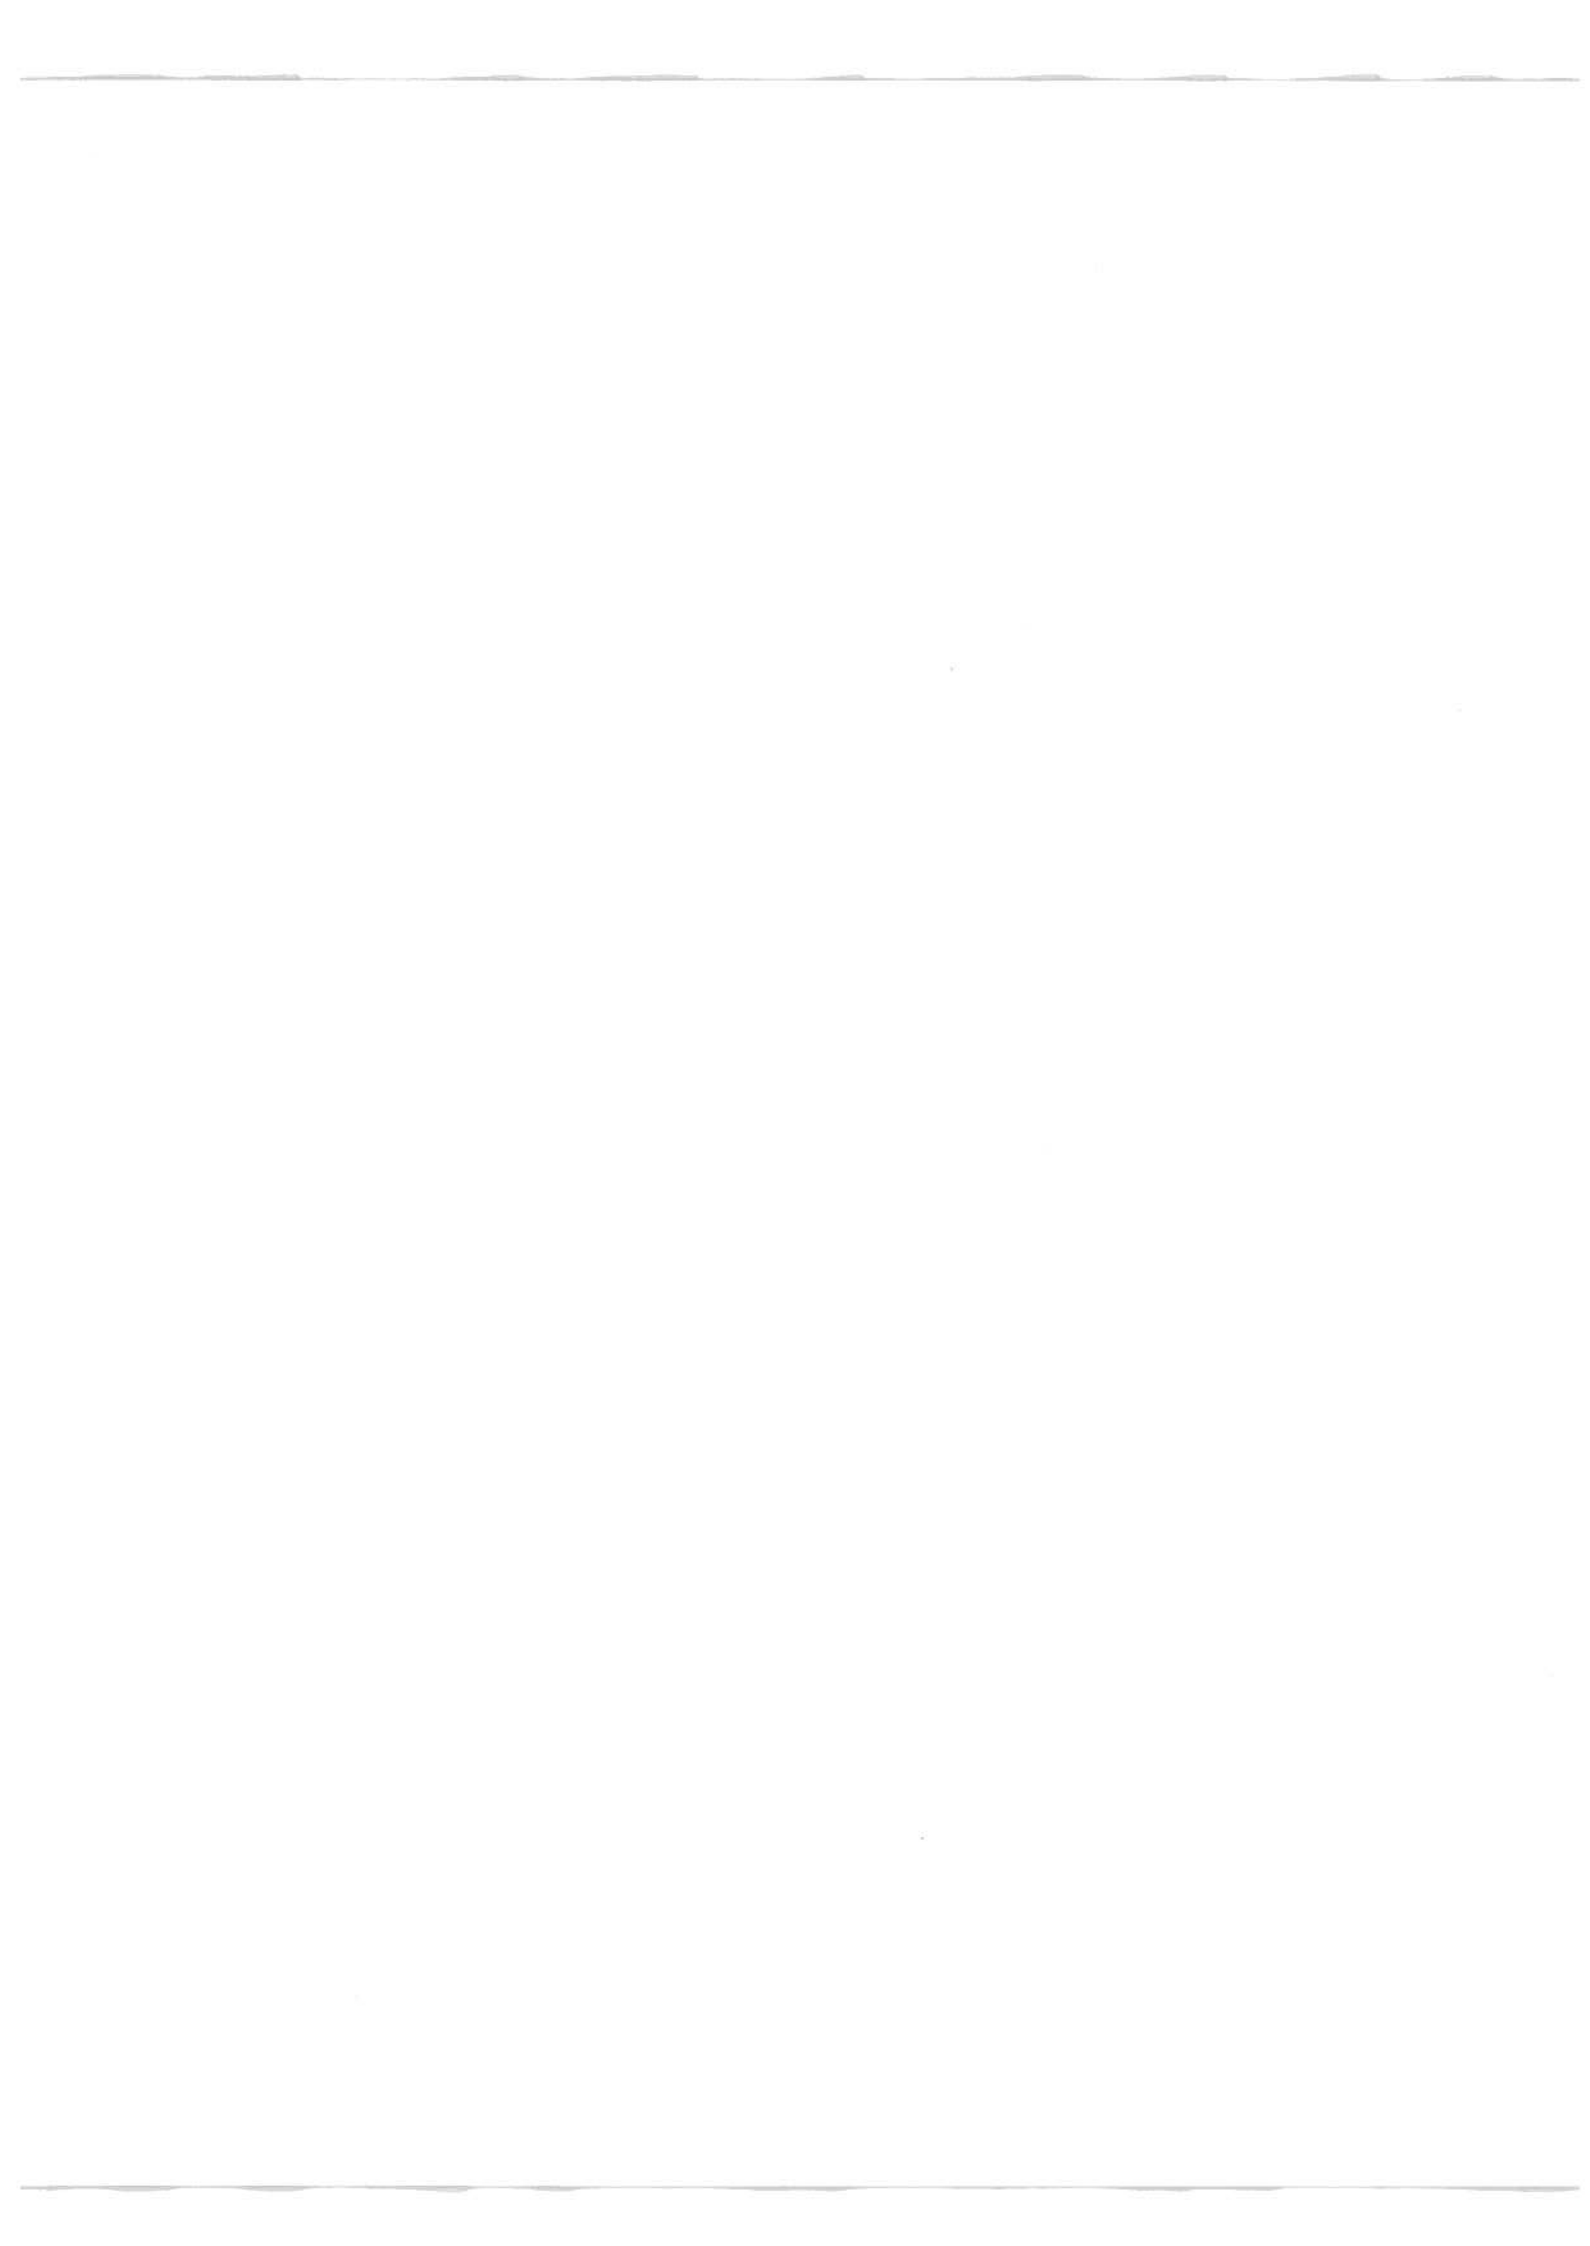

If you want to participate in the hearing, you must file a request to participate by **October 31, 2018**.

Information on how to request to participate is provided in the notice of hearing. For more information about the hearing process, including about funding, see the EnerFAQ *Having Your Say at an AER Hearing* at www.aer.ca or contact the hearing coordinator.
